Source Why Flaming Cliffs 3 If you are new to DCS World please be aware that if you download any of the Flaming Cliffs 3 aircraft, DCS World will give you access to a lot of aircraft that are considered to be "Community Owned" and cannot be downloaded by users for free. There are a lot of restrictions on what aircraft are officially available for download within DCS World, and the community constantly talks about what they would like to be able to own and use. If you are a newcomer to DCS World, and thinking about

buying Flaming Cliffs 3, be aware that the only reason it is available in the first place is because you are not allowed to download aircraft that you have not bought yourself. Tera-War Strike! This is much like an Easter egg, but is the result of the aforementioned restrictions on Community Owned aircraft. This is a single aircraft, inside a'special module' that is freely available in DCS World for all users. How to Download Flaming Cliffs 3 Aircraft As with most of these hidden aircraft, these
