Khordad 6, 1399 AP - Sonic Classic Heroes is a ROM hack combining Flamewing's Sonic 2 Heroes hack and Sonic 1 and 2 hack by ColinC10. ***** This is a ROM hack of the game on Android and iOS. Here we play as a character named Hee-Ojo and we have the opportunity to collect a bunch of power-ups that will help us defeat all the evil Sonic. We have to collect all 6 parts of the ROM - one of his stages. This game is quite difficult because in each level we have to buy time and collect enough coins in order to collect the ROM. At the end of each level, a boss is waiting for us.
